Community Book Exchange Program - A Community Led Initiative

Dr. Deepesh Shrestha

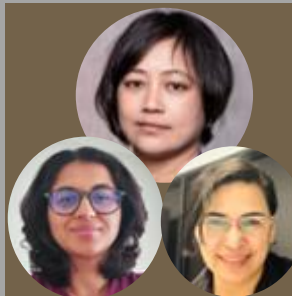

Process Automation Developer, University of Alberta

Mr. Lance Adhikari

Middle School Student and Enthusiast Programmer
Edmonton

7:30 PM MST, Sept. 16, 2022

Community Book Exchange Program aims to bring community together by sharing their own personal knowledge base for the well-being of others. This program will allow users in the community to be able to browse the available books, send requests for borrowing, and provide the possibility for lending them to the requestor.

Nepalese Women in the Healthcare Industry Through Service, Education and Mentorship

Ms. Alina Kharel

RN, University of Alberta Hospital

Dr. Nami Shrestha

Research Associate, University of Alberta

Ms. Bijaya Dhakal

Regulated Pharmacy Technician

7:30 PM MST, Oct. 21, 2022

The purpose of the talk is also to promote & share the knowledge for the professional development of women in the healthcare industry through NETWORKING, EDUCATION and MENTORSHIP in our community

Nepalese Culture and Gender Roles

**By: Nepalese Canadian Youth Association of
Edmonton**

Aawaz is a Nepali youth group that aims to amplify the collective voices of Nepalese Canadian youths in Edmonton

7:30 PM MST, Nov 18, 2022

As a group we will explore the ever-evolving gender roles within our community. Through the use of personal stories and experiences, we will examine how families and society function to reinforce and maintain these roles.

Financing Your Future: A Guide to Scholarships

Ms. Aakankshya Kharel

Bachelor of Sciences, University of Alberta

7:30 PM MST, Jan 20, 2023

Join us for some scholarship myth-busting and practical tips on financing your education and hobbies! This presentation will focus on scholarships and practical tips for becoming a successful applicant. It will include myth-busting and application templates along with a focus on leadership and academic excellence.

The Fundamentals of Tantric Practice

Dr. Sthaneshwar Timalsina

Professor (Religions and Philosophies of India)
San Diego State University

7:30 PM MST, Feb 17, 2023

People in contemporary times have either exotic or negative opinions as it comes to tantric practices. This comes due to not knowing the beautiful philosophy behind Agamic literature. In this discussion I would like to address the historical and philosophical background of tantric practice and give an overview of the Sarvamnaya practice that is still vibrant in Nepal.

Decoding Longevity: An Ayurvedic Perspective

Mr. Madhusudan Rimal

Department of History, Classics, and Religion
University of Alberta

7:30 PM MST, March 17, 2023

Ayurveda is a household name in Nepal, India, and Sri Lanka. It has been understood as a herbal medicine, and touted as a no-side-effect medical system understood as a science of longevity. This presentation investigates the Ayurvedic perspective on the longevity of humanity and it will suggest the takeaways to the audience about the applicable Ayurvedic practices

Intercommunity Interaction #2 - Introduction to the Nepalese Community in Winnipeg

Dr. Purushottam Raj Singh

Nepali Language and Cultural Centre, Winnipeg

7:30 PM MST, April 21, 2023

This presentation will provide a brief history of Nepali community in Manitoba, the establishment of the Nepali Language and Cultural Centre and focus on where the Community is now and what challenges it has faced while growing and what challenges it expects to face in the future.

Financial Resources for the Patients, Seniors, and Their Families in Alberta

Mr. Prakash Poudyal

RN Case Manager and Team Lead, Alberta Health Services

8:30 PM MST, May 19, 2023

This presentation discusses and explores health care funding and benefits for the seniors and acute or long-term patients in Alberta. The presentation provides information regarding health care funding for chronic disease management, disability, and seniors.

The detail meeting information will be provided to the registered attendees prior to the event
